RE: LETTER OF INTENT TO APPLY AND SPONSORSHIP

I am writing to inform you of our intent to apply and sponsor the Tubman Site, located at 1900 Sholar Avenue, Chattanooga, TN 37406 in the *Select Tennessee Sites Certification Program*. This site is located in Hamilton County and is inside the corporate limits of Chattanooga, Tennessee.

The Tubman Site is publicly owned and has road frontage along Sholar Avenue. At the site, this roadway is two lanes wide and can be improved to an industrial grade road. Map of site: <https://goo.gl/maps/YWwVk>.

The following utilities are within 500 feet of the site: X electricity, ___natural gas, X potable water, and X sanitary sewer. If any of these utilities are not within 500 feet of the property, we are planning to prepare the necessary engineering design and utility approval to extend the utility.

All correspondence and inquiries regarding this site should be addressed to Lindsay Hiatt. This individual is authorized to represent the property through this certification process. The contact information for this person is:

I have reviewed the *Select Tennessee Sites Certification Program's* Criteria and Definitions document and understand the requirements that a site must meet to be certified. Further, we are prepared to bear the necessary expense required to obtain certification of this site.

I fully recognize that this is a voluntary program. Additionally, I realize that awarding certification is at your discretion and is dependent on the qualities of the site and the materials prepared to fulfill the requirements for the program. By applying, I acknowledge that certification is not guaranteed.

Sincerely,

A handwritten signature in black ink that reads 'Lindsay Hiatt'.
